# About CSOP:

CentrePort School of Prophets (CSOP) is a modular program designed to impart the prophetic, supernatural and mystical dimensions of God's Kingdom. It caters to people who feel called to the office of a prophet and Believers who merely seek to develop the prophetic nature of their spirit. The courses are designed to help you develop and mature in your prophetic calling. We begin at the basic levels of how to hear God's voice, and proceed to more advanced features of the seer realm. It assumes that for the progressive Kingdom people of the 21<sup>st</sup> Century the period of study at the School is only the initial formal training in a continued period of impartation and equipping, which will continue after graduation.

**Module 1: *The Basic Prophet Course*** will introduce you to the prophetic on a general level and proceed to develop in you competence and proficiency for moving in the prophetic realm.

**Module 2: *The Advanced Prophet-Seer Course*** aims to bring you into adventures in God. It will instigate you to press into new frontiers of supernatural realities available to all saints. It will introduce you to the spiritual. This course will also activate you in the governmental dimensions of the supernatural, establishing you in reigning/ruling with God so He can release Kingdom influence through you. While module 1 will help you become a prophetic person module 2 will bring you into sonship realms of mature prophetic operations
